Sun Rise	05:40
Sun Set	20:40

Round times, durations and flight durations may be modified by the organizer & jury depending on the weather conditions.

If the wind speed is constantly more than 8 meters/second, the organizer and the jury may decide to finish the competition normal rounds after fifth round or reduce the maximum flight time.

In the F1A, F1B, F1C fly-off rounds, if the wind is more than 5 meters/second or if the weather is highly rainy, fly-off will be on June 4, 2017 (Sunday) morning after 06:30 o'clock. In this case, the duration of the round is 10 minutes and the maximum flying time is 10 minutes.

The duration of the total flight time in the first round will be counted in the total flight time of the whole competition.

Each competitor will be assigned to a pole and timekeeper. However, if there is a free official time keeper, it is possible that this time keeper will keep time for the competitor from another pole.

It is suggested that, the competitor should keep time with the official time keeper.
